“The Australian Sparkling Wine Show (ASWS) is the only dedicated sparkling wine show in Australia. With the objective “to showcase and provide nationally recognised opportunities and benchmarking for Australia’s sparkling wine producers,” we are excited to bring you the 2023 results.

Originally the Marysville Sparkling Wine Festival, the ASWS began as a seed that grew out of the ashes of a community shattered by the February 2009 Black Saturday bushfires. Since its inaugural year in 2010, the ASWS has evolved and expanded and is now a renowned inclusion on the Australian wine show calendar.

In 2023 we saw 152 entries from across the country, with a slight increase in the number of exhibitors from previous years, which shows the breadth of diversity of Australian sparkling wines, across a number of different styles.

We welcomed a new Chair of Judges in 2023, Jeremy Dineen, who led an esteemed cast of judges from across the country.

We thank everyone for their support, from exhibitors, sponsors, judges, the committee, and the many volunteers both past and present who have all contributed to make the Show what it is today.

Please enjoy and support our fabulous Australian sparkling wines.

Trina Smith, Australian Sparkling Wine Show Committee Chair

Chair of Judges Report

Over two days in August, a team of five judges have tasted, scored, discussed, retasted and ranked 155 Australian Sparkling Wines and the results are now available, highlighting the diversity and quality of the sparkling sector in Australia. Seven classes, covering wines from early drinking, fruity tank fermented styles through to wines with lees age in excess of five years were carefully catalogued, organised and poured for the judging team by a dedicated team of industry volunteers, making it easy for the judges to focus on the wines and discuss the merits of each wine without any clues to the identity of the producer or product.

The results demonstrate the depth of fruit resource and viticultural and winemaking talent in the Australian sparkling wine scene. From 155 entries, an extraordinary 66% were awarded a medal. Across the show, there were a total of 15 Gold medals, representing 10% of entries – an incredibly strong result, dominated by the extended lees age wines but spread across every class.

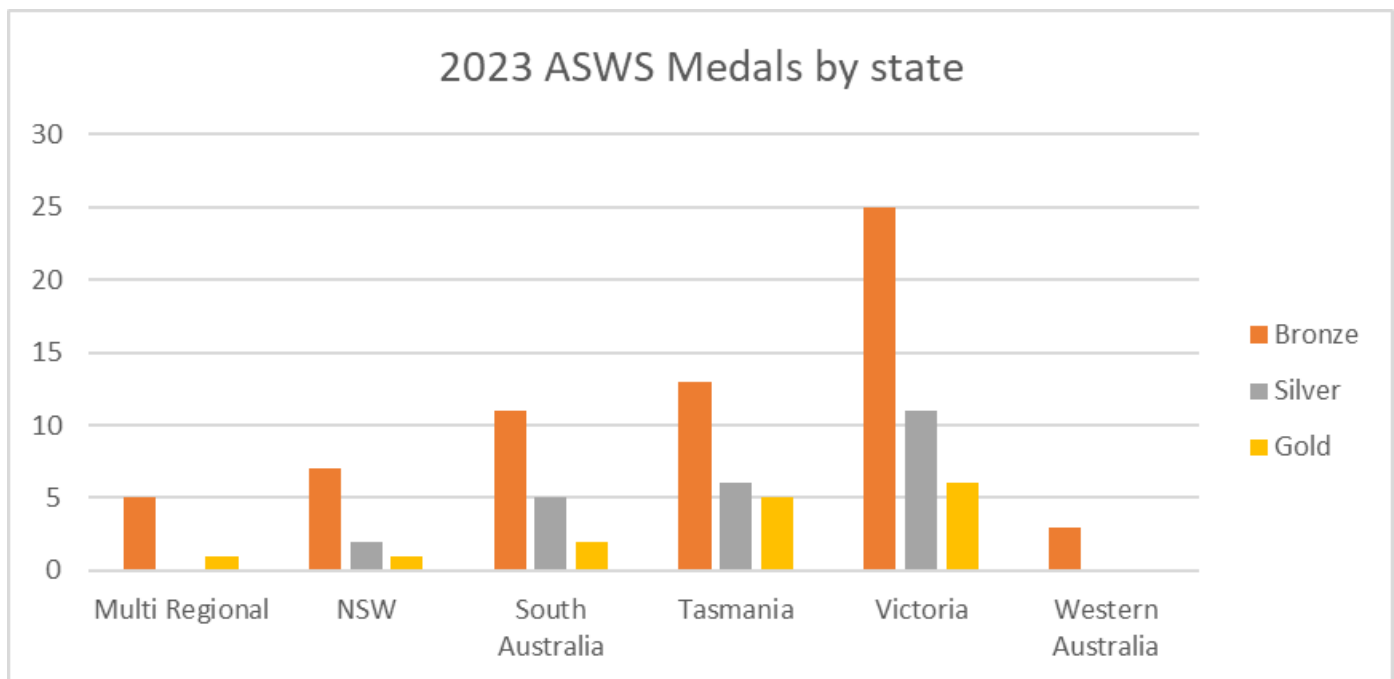

A few highlights include:

- Class 6, the wines that don't fit into the traditional classes, had a really strong showing of diverse styles including gold medals to a beautifully balanced, delicate Moscato and a thoughtfully made Ancestrale style with freshness, delicacy and a dry finish
- Class 5, Prosecco – a very strong class that shows the high quality of both Prosecco fruit and winemaking in Australia and highlights the importance of all of us supporting these producers in their debate with the EU over the right to use the name Prosecco
- Class 2, Bottle fermented wines with 24-60 months tirage age – a remarkably strong class with very few faults and strong diversity of styles. 70% of these wines scored a medal, with a wide range of

producers and regions proving that high quality sparkling is in a very healthy place around the country.

Class 1, Bottle Fermented Extended Yeast Age Sparkling Classic Varieties (White or Rose), 60 months or longer tirage age – What a pleasure to judge! There were some incredible examples of wines from producers with long-term vision and commitment to age their wines on lees for extended periods. There was such a high standard in this class that nearly 80% of the wines received a medal, with nearly 20% of them awarded a gold. There was robust debate about the styles and it is a real pity that only one of these could get the Top Gold award and trophy as there were several wines that could have easily been crowned here.

Entries were received from a wide range of GIs from across the country and medals were awarded to nearly every winemaking state in the country. There are too many GIs to list individually but there were particularly strong entries from Victoria, across a diverse range of varieties and styles, and from Tasmania, with their focus on bottle fermented traditional varieties.

There is no better proponent of the diverse assortment of sparkling wines in our country than the Winequip Lallemand Australian Sparkling Wine Show, and I would encourage all lovers of sparkling wines to seek out the award winners from across the styles and classes, as they truly represent the best expressions of their styles in Australia.

To every producer who entered, thank you for your hard work and support of this specialised show, which would not exist without the amazing grapegrowers and winemakers. Thanks also to my fellow judges, the generous sponsors and the hard-working volunteer committee, without whom, it would not be possible to put on such a smooth and enjoyable wine show.

2023 Australian Sparkling Wine Show

Class 01

Bottle Fermented Extended Yeast Age Sparkling Classic Varieties (White or Rose), 60 months or longer tirage age

Judges: Jeremy Dineen, Sarah Andrew, Toni Paterson MW, Romaric Bertholle, Ella Hoban

Comments: Impressive power and complexity from wines with long lees age. The best of these older wines retain freshness and delicacy whilst also showing complexity and balance. Some wines lack the quality of fruit or delicacy of handling to match the tirage age.
