WINE MANIA TAS

“The Australian Sparkling Wine Show (ASWS) is the only dedicated sparkling wine show in Australia. With the objective “to showcase and provide nationally recognised opportunities and benchmarking for Australia’s sparkling wine producers,” we are excited to bring you the 2026 results.

Originally the Marysville Sparkling Wine Festival, the ASWS began as a seed that grew out of the ashes of a community shattered by the February 2009 Black Saturday bushfires. Since its inaugural year in 2010, the ASWS has become the commanding show in Australia for sparkling wine producers.

As the premier Wine Show dedicated to sparkling wine, each of our judges assessed over 170 sparkling wines again this year.

Trina Smith as our Chair of Judges, has been leading a team of unbelievably skilled wine judges showcasing their wide experience.

In a global context where overall wine consumption is declining, sparkling wine stands out as the only category experiencing growth—driven by premiumization, innovation, and an expanding consumer base. The exceptional quality of wines showcased at the 2026 ASWS further underscores Australia's leadership.

We thank everyone for their support, from exhibitors, sponsors, judges, the committee, and the many volunteers both past and present who have all contributed to make the Show what it is today.

Please enjoy and support our fabulous Australian sparkling wines.

Chair of Judges Report – Trina Smith

In 2026, I was honoured to take on the role of Chair of Judges for the Winequip Lallemand Australian Sparkling Wine Show for the first time. The opportunity to lead a specialised panel through two and a half days of tasting, discussion, revisiting and scoring 172 entries was especially meaningful. It reinforced my love of sparkling wine and my appreciation for the way Australia winemakers can produce such distinctive and compelling styles. Across the seven classes, this diversity was clear, from bright, fruit-driven tank fermented wines through to more complex traditional method examples with extended lees age, each showing its own quality, character, and intent.

What I valued most was the focus that comes from having a panel dedicated entirely to sparkling wine, with judges who bring deep experience in making, understanding, and appreciating the category. The discussions were thoughtful, generous, and rigorous, with each entry given the time and respect it deserved. I am very grateful to my fellow judges for their insight and collaboration, and to the stewards, sponsors, and organising committee for making the show run so smoothly. It was a genuine pleasure to be part of a show that continues to recognise excellence, celebrate regional expression and acknowledge the people behind Australian sparkling wine.

Class 01

Bottle Fermented Extended Yeast Age Sparkling Classic Varieties (White or Rose), 60 months or longer tirage age

Judges: Trina Smith, Nic Bowen, Matthew Brooke, Mia McIntyre, Abbie Hoskin

Comments: Beautiful class of wines, lovely balance, structure and flow, with nuance. Sulphide still playing a prominent role, which can be distracting rather than complexing.

Comments: Delightful class to judge, sulphide was playing a dominant role and overtaking other characters which needs to be noted. Couple of oxidised styles perhaps not looking the best, but overall well managed and balanced and complex class of wines

Class 03

Bottle Fermented Sparkling White, Classic Varieties, <24 months tirage age

Judges: Trina Smith, Nic Bowen, Matthew Brooke, Mia McIntyre, Abbie Hoskin

Comments: Chardonnay clearly led the way, shaping the overall style of the wines with a generous spectrum of fruit expression—some slightly restrained, others more immediate and exuberant. A couple of wines really stood apart, showing beautiful poise and tension, where vibrant freshness was woven through layers of flavour and complexity.

Comments: Perhaps not as an exciting class as anticipated, some tired wines showing high dosage or simple primary wines. Really looking for wines showing great balance of lees, fruit, acid and effervescence.
